Great \$10,000 Saddle Horse Stake For 1917 Kentucky State Fair

Owners and Breeders Throughout the Country Interested In President Cohen's Ambitious Enterprise.

RICHLIEU KING, 1916.

HERMAN STRAUS & SONS' CO. CUP. LEVY BROTHERS' CUP.

Two of the array of trophies offered by the two leading mercantile establishments of Louisville in their lines, the Levy Brothers' Clothing company and the H. Straus & Sons' Co. department store.

HON. MAT S. COHEN, commissioner of agriculture and, by virtue of this office, president of the Kentucky State Fair, has secured a \$10,000 five gaited saddle horse stake for the 1917 Kentucky State Fair to be held in Louisville the week of Sept. 10-15.

Commissioner Cohen, with the unanimous endorsement and enthusiastic support of the members of the state board of agriculture, was untiring in his efforts to secure the interest and co-operation of horse owners and breeders throughout the country, and his plans were crowned with splendid success. From nearly every city of any size in the United States letters have poured in upon the commissioner eulogizing his brilliant achievement and commending the vitalizing effect of such a project upon the horse interests of the country.

World Will Look to America.

The commissioner has made it known that this very motive inspired him in his efforts for this gigantic prize list, as it is his firm belief that at the close of the present disastrous and exhausting war all foreign nations will look to America for foundation stock and new blood, and that this nation should prepare for the demand. At present he declares that the breeding operations of this country have ceased to an alarming extent and that just such inspiration as this hitherto unheard of stake is necessary to arouse the horsemen and breeders of the United States.

Entrance Fee Waived.

In addition to the magnitude of the prize money, the fact that any entrance fee is waived and the horse owner or breeder privileged to enter as many animals as he cares to nominate free of charge and that stable room and bedding are provided by the State Fair without cost to the owner is certain to attract the attention of the entire horse world and to make the five gaited saddle horse events of the 1917 Kentucky State Fair the most sensational saddle horse affair of the age.

The battle royal for the \$10,000 in prizes will open Monday night, Sept. 10, with a grand prize total of \$2,500 offered the five gaited saddle stallion of any age who bears off the championship honors of America in his sex class.

The prize money donated and set aside in this class is as follows:

How Prize Money Is Divided.

One thousand dollars to the horse winning first prize, \$625 to the horse winning second prize, \$375 to the horse winning third prize and \$250 to the horse winning fourth prize. In addition to the first prize of \$1,000 the saddle stallion proving champion of the country in his class will receive a sterling silver cup, on which will be engraved "Championship of America for five gaited saddle stallion, any age," and which will be valued at \$250.

On Tuesday night of Fair week the mare division of the saddle horse stake will be shown under the same conditions and with the same amounts and divisions as in the stallion rings.

Wednesday night the exhibition of geldings will take place in identically the same manner and with the same divisions.

Saturday night the grand finale of the horse show will take place, when the four champions of America in their particular sex classes meet to compete for \$2,500 in prize money and the title of grand champion of America. The money in the grand championship event will be divided the same as in the sex classes, and, in addition, the winner will receive a sterling silver trophy known and inscribed as the "Grand Championship of America for five gaited saddle stallion, mare or gelding of any age."

Judges Carefully Picked.

Entries for these stakes will close Aug. 1, and all nominations should be sent in immediately to Fount T. Kremer, secretary of the Kentucky State Fair, Republic building, Louisville.

Three judges will be selected to preside in these rings, the officials to be named by the State Board of Agriculture of Kentucky, the State Board of Agriculture of Missouri and the State Board of Agriculture of California. This guarantees judges of the highest integrity, ability and nation wide reputation among horsemen and officials eminently well suited to serve in the most spectacular and important horse event the world has ever known.

HOLSTEINS PROMINENT AT KENTUCKY STATE FAIR

Prize Money Doubled For the "Stars of the Show."

Holsteins will be one of the most prominent classes in the beef cattle department of the coming Kentucky State Fair, to be held in Louisville the week of Sept. 10. The prize list for this breed of efficient dairy performers has been doubled and now represents the interesting sum of \$800.

All of the classes throughout the beef cattle department have been largely increased, but the Holstein aggregation bids fair to be the "stars of the show." A model dairy in operation is promised as an adjunct to the dairy cattle exhibition, and there will be new features of scientific dairy management marking the cattle exhibit of the fifteenth annual State Fair.

BIG SHOW FOR WOMEN PLANNED FOR STATE FAIR

One of the Most Creditable Exhibits in the Entire Gigantic Display.

Busy housewives and experts in arts and crafts are taking advantage of every moment in preparation for the showing to be made at the fifteenth annual Kentucky State Fair, to be held in Louisville the week of Sept. 10.

The Woman's department is naturally the most interesting portion of the State Fair to womankind and is likewise one of the most creditable exhibitions in the entire gigantic display.

The entry list for this department will close Aug. 27, and a "hurry up call" is issued by Kentucky State Fair Secretary Fount T. Kremer, Sult 604 Republic Building, Louisville.
